Session	Times	May 13	May 14	May 15
#1	7:55-9:45	Math	English	Science
#2	10:00-11:45	Reading	History	Spelling

Guidelines for exam days when exemptions are allowed:

- **Eligible students are allowed to exempt exams for both Qt. #2 and Qt. #4.**
- Students are **only** required to be at school during testing sessions on test days in which they have to take an exam.
- First session exam takers should be dropped off at school before 7:45 a.m. during normal morning carline times.
- Students exempt from a second session exam may be picked up at 9:45 a.m. through carline.
- Students who are exempt from a first session exam in a given day will be allowed to be dropped off through carline at 9:45 a.m. for their second session exam.
- Carline will be open between testing sessions from 9:45 a.m. to 10:00 a.m. to allow for first session pickups and second session drop-offs.
- In the event the carline chain is not down at 9:45 a.m. on these days, parents need to wait for this to occur.
